INTERVIEW - [REDACTED]		
Today's date, 10:30 AM, while at the Child Advocacy Center, Caseworker White and I conducted a forensic interview with [REDACTED] in accordance with New York State Forensic Interviewing Best Practices. It was noted that she separated easily from her mother and communicated well. She was clean, appropriately dressed and appeared healthy. When asked who she lives with,		

█████ said, "Grandma, Mommy, Papa", "Ryan doesn't live there anymore" and "Poppy doesn't want him to, he had to leave". When asked if something had happened, she replied, "he always shows me his penis and has me touch it". A developmental assessment showed her to be of average intelligence for her age as she was able to count and engage in age appropriate games. A testimonial capacity was determined using examples to show she understood the difference between the truth and a lie. Her knowledge/understanding of body parts was explored during which she identified her genitals as her "vagina" and added that boys have penises. She also identified her buttocks as her "butt" and her breasts as her "boobie". ██████████

████████████████████ When asked if anyone had ever asked her to touch their penis, she replied, "Ryan did". When asked where it happened, she replied, "my house". When asked where in her house, she replied, "Mommy's and Ryan's room". When asked how many times Ryan had asked her to touch his pee pee, she replied, "he didn't, it was his penis". When asked what she was doing at the time, she replied, "sitting". When asked what Ryan was doing, she replied, "standing up getting dressed, he asked if I wanted to do the picture game". When asked, "What is the picture game", she did not reply. When asked if her clothes were on or off during the picture game, she replied, "off". When asked what you play the picture game with, she replied, "a camera". When asked how you play that game, she replied, "I don't know". When asked how many times he asked her to touch his penis, she replied, "one". When asked what it felt like, she replied, "soft, like grass". When asked if anything else happened, she replied, "no". When asked how long it happened, she replied, "ten minutes", and quickly added, "I didn't want to" and "he wanted me to rub it, I rubbed it by myself". When asked if anything happened, she replied, "no", and with a grimace said, "his penis like spits". When asked if she rubbed on it until it spits, she replied, "no, Ryan did". When asked who cleaned up the spit, she replied, "it comes out by itself". When asked how many times that happened, she replied, "one". When asked if it was the same day he had her touch his penis, she replied, "same day". When asked what his penis looked like, she replied, "soft, like grass" and then added, "like, soft and hard". When asked if she had told anyone, she replied, "Poppa and Grandma". When asked if she thought Ryan should have asked her to touch his penis, she replied, "no" and when asked how many times Ryan asked her to play the picture game, she replied, "a lot".

#### INTERVIEW - ██████████

Today's date, following the interview with ██████████, an interview was conducted with ██████████ who identified ██████████ Ryan Maher ██████████. She said she had been dating Maher for a short time and that he had been residing with her and her parents at ██████████. She said the day her daughter disclosed the alleged abuse, she was watching TV in her room with Maher when her father asked her to come downstairs. She said her father told her that ██████████ had come into the bathroom unannounced and when he addressed the matter, she made a comment about having seen Ryan's penis. She said she talked with her daughter who told her that Ryan had showed her his penis earlier that same day. She said between the hours of 11:30 AM and 1:00 PM, she left her daughter alone with Maher while she went to the hospital in Syracuse along with her mother to get her father who was being discharged from St Joseph's Hospital. She said her father confronted Ryan who denied any wrongdoing. A Genl 4 (Supporting deposition) was obtained and a copy attached as enclosure #1 to this report.

It was noted during the interview that ██████████ was well aware that Maher was a registered sex offender when she agreed to leave her daughter in his care. It was also noted that Maher would have had contact with 6-yr-old ██████████ as well.

Following the interview, I talked with ██████████ at length about participating in a controlled telephone call with Maher in an attempt to gather information relative to the investigation.

<p>INTERVIEW - RYAN M. MAHER</p> <p>Today's date, I went to [REDACTED] in the Town of Cicero along with Investigator Scott Weber where Maher agreed to be transported to the NYSP Sullivan satellite for an interview. He was read Miranda Warnings during transport and agreed to speak with us without a lawyer present. He said he was already aware from talking with [REDACTED] and [REDACTED] that [REDACTED] said she had seen his penis. He said [REDACTED] had seen his penis, but she never touched it. He said he would estimate that [REDACTED] had seen his penis about four times. He said three of those four times he was in the bathroom urinating and one of those times he was in the bathroom masturbating when she walked in. He said all four of those incidents occurred at [REDACTED]'s house where he had been staying since the beginning of October 2013. He said the last time [REDACTED] walked in the bathroom to find him masturbating was this past Sunday. He said he was in an upstairs bathroom when she walked in as he was in the process of ejaculating. He said he turned away as quickly as he could but she still saw what he was doing. He denied that he had taken any pictures of [REDACTED] without her clothes on. He said the only thing he could think of regarding the picture game involved him showing her pictures on his Playstation 3. He signed a voluntary consent to search form for both his cellular telephone and his Playstation 3. The cellular telephone was subsequently secured into evidence and arrangements were made to secure the Playstation 3 from his bedroom located at his grandparents residence on Button Road.
